Hi Greg,

I am working with ORC here to try to keep this moving, however, I wanted to loop you in, just in case there is anything you could help push on from your end. Thanks, Dee

Thank you for the quick update Rick and Deirdre. We definitely want OGC's concurrence before giving to Janet.

All,

I am working my way through the document. I'll try to finish by the end of the work day, but while I am making good progress, I cannot promise that I will in fact be able to do so. Just to be clear, I don't have the authority to concur on behalf of OGC. All I can do is recommend to Elliott and Lorie Schmidt that OGC concur and I fully expect to do that. Hopefully, that will be sufficient for Janet to accept the package. Once again into the breach.

Good morning – I sent around responses last week, but didn't update the SharePoint document, so I went back and updated the SharePoint document this morning. I'm sure both Kimi & Tod may want to review the final comments and suggestions to pages 9 and 29 of the SharePoint document.

Thanks! – Kim V.

Good morning,

I just wanted to check in to see if OGC had any further edits to the rule package. If not, I will give it to Janet tonight to review and hopefully sign.

Thanks.

Hi everyone –

Carissa, from the OAR Immediate Office, called to let me know that they have received the package and that it will shortly be going to Janet for her review — probably in her weekend reading package. I explained that while OGC has seen the document at various stages and had input, they have not concurred yet; that Rick is our primary OGC contact on this; and that we are hoping to get his comments, if any, on Monday.

I'm sending this email because I'll be out of the office on vacation next week and want to be sure everyone knows the status and points of contact.

- If anyone has non-legal questions for R8 about the FIP, I'd suggest reaching out to Dee Rothery (303-312-6431) first, and if Dee is not available, then to Claudia Smith (303-312-6520).
- If there are legal questions for R8, please contact Elyana Sutin (303-312-6899); Kimi and Kim have both reviewed the FIP too, but Elyana is probably in the best position to figure out who in our office can help field particular questions.
- R8: If you need to check in with OAR IO, Carissa's number is 202-564-5437.

Thanks Carissa and Rick for all of your work on this and assistance with the tight schedule.
